## **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance for Claims 1-4, 10: the prior art does not disclose or suggest an instrument for a vehicle including a plate, an outer periphery wall member of a cylinder shape, a cylindrical housing, a transparent cover which extends from a top of the housing to a back end of an edge portion of the outer periphery wall member and wherein a light emitting portion is formed on a tip edge portion of the outer periphery wall member by disposing concealing means in side faces of the outer periphery wall member in combination with the remaining limitations of the claims.
2. The following is an examiner's statement of reasons for allowance for Claims 5 ,7-9 and 11: the prior art does not disclose or suggest a display device for a vehicle including a plate, a cylindrical housing, an outer periphery wall member of a cylinder shape, a transparent cover which is disposed to extend from a top of the housing to an edge portion of the plate separately from the plate on the surface side of the plate and includes a reflective surface so as to reflect an outside light toward an inside face of said outer periphery wall member in combination with the remaining limitations of the claims.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
